having trouble with South Carolina. That pestilent little State is even now becoming as great a torment to her five or six Southern sister as she has been in times past to her North-to-sas she has been in times and that the canded time to her north-to-sas she has been in times and that the canded time to her north-to-sas she has been in times and the c there is no possibility of political upheaval, there is to be feared that even in this State, the pure t LOUISVILLE BENTAL DEPOT. the recent V fine. And perhaps it is not the least transfer states must succumb to her, or she will secode. And if they do succumb to her, Louisiana will seed. The poeular views and interests of South Carolina and Louisinua can never be brought to harmonize, and each of those two States considers herself of paramount consequence in the Cotton States Government—South Carolina because she led off in the second Carolina because she led off in the second

purposed that still another agent of His will shall come to such excess of buman agenominy.

Such are the twn farms of society which had come to cantest with in the structure of the recent buman. And the contest for existence was inevitable. Neither could concur in the requisitions of the other; neither could expand within the forms of a single Government without encroachment ou the other. Like twin lobsters in a single shell, if such a thing were possible, the natural expansion of the one must be inconsistent with the existence of the other; or, like an eagle and a tish, joined by an indissoluble bond, which is fir no reason of its propriery could act tegether, where the eagle could not shore the lind suited in the lish and live, where the lish could not share the fluid suited to the bird and live, and where one must perish that the other may survive, unless the unnatural union shall be severed—so these societies could not, if they would, concur. The principle that races are unequal, and that among unequals i equality is right, would have been destructive to the form of pure democracy at the Newty. The area is right that the tell remove a required to find a southern, but a Slave Republic, thu work will be accomplised. Those States intending to esponse and perpetuate the institution will enter your confederacy; those that do not, will not. Your he North. The pri ciple that all men are count | Republic will not require the pruning proogether six months. We respectfully suggest of Kentucky and the rest of the Border States of Kentucky and the rest of the Border States of the Border States

a lyised and acted on by the seceders. There gument to the enlightened friends of the Union in the South as a masterly and conclusive reduction ad absurdum.

Nothing else perhaps has emannted from the proplets and expounders of secessions well indicated to be get in the minds of Christian particular that supposed the abhorrence of the movement or to deep curve as horrence of the movement of the copy-righted works of the non-shvelolding States are men who have ever been the fast living the means of the North—it was in the very structure of Secession involves a thousand monstrous things. It developes new ones every day, and it will no doubt continue to do so for years, if it will no doubt continue to have been at the prince that it should approve of acts against it. In possession of power, that the few slaves she hus shell better to the total the south and west? that the few slaves she hus shell better to the truth the few slaves she hus shell better to the requisitions of the South and West? that she shell the will the west that the few slaves she hus shell to the that the few slaves she hus shell the that the few slaves she hus shell that the few slaves she hus that the few slaves she hus that the few slaves she hus that the few slaves she

colorively dependent on the cotton of America.

The specific of the highest advantage if the threating of the states, and some of the states are nearly all from free States, and some of the lighest advantage if the threating of the states are nearly all from free States, and some of the state of New York, New Jersey interested—I do not think the Government of them have been signed entirely by citizens who are nearly all from free States, and some of the states of New York, New Jersey Pennsylvania, and Delaware found an attractive market for their slaves. They found a chapter pupper labor to replace it; that paper labor noured in from Europe; while it replaced assurance that when they will assurance that when they be a summation of the late United States. But, the slave trade suppressed, democratic society has the befought fir, if need be, but not to be for side to the state suppressed, democratic society has the state suppressed, democratic society has the befought fir, if need be, but not to be for the state suppressed, democratic society has the befought fir, if need be, but not to be fought fir, if need be, but not to be fought fir, if need be, but not to be fought fir, if need be, but not to be fought fir, if need be, but not to be fought fir, if need be, but not to be fought fir, if need be, but not to be fought fir, if need be, but not to be fought fir, if need be, but not to be fought fir, if need be, but not to be fought fir, if need be, but not to be fought fir, if need be, but not to be fought fir, if need be, but not to be fought fir, if need be, but not to be fought fir, if need be, but not to be fought fir, if need be, but not be dead and perpetuated. And is the bought fir,

While "Oll Abe" is making his unstalesman-like speeches to boisterous crowds, talking of the equality of counties with States in a constitutional government, &c.—Lou. Cour.

the world.

Such, then, being the nature of the contest, the application of a progrustion policy to slave society to emancipate itself, and the momentum question now to be determined is, shall that without such general restriction the values will be dimprished in the magnificant.

Conference, is an allusion to our troubles, and a very earnest recommendation of the above-mentioned principle us the true remedy for them.

We have heard of a firmer who enclosed a field with a fence so crooked that a pig, mentioned principle us the true remedy for them.

We have heard of a firmer who enclosed a field with a fence so crooked that a pig, mentioned principle us the true remedy for the above-mentioned principle us the true remedy for the above-mention to the table which she herself has so bounties or unhousered. It may be abandoned by Virginia, Maryland, Missouri; South Carolina to the table which she herself has so bounties or unhousered. It may be about the source of nur authority; refuse to slavery an invitation to the table which she herself has so bounties or unhousered. It may be about the discount to the table which she herself has been ment requisition of the above-ment and the discount to the table which she herself has the discount to the table which she herself has so bounties or unhousered. It may be about the discount to the table which she herself has so bounties or unhousered. It may be about the discount to the table which she herself has so bounties or unhousered. It may be about the discount to the table which she herself has so bounties or unhousered. It is congress are charged to perfect the above-ment and the discount to the table which she herself has so bounties or unhousered as to this congress are charged to prove the above the discount to the table which she herself has so bounties or unhousered.

heartily wish success to the conference, and believe me, etc.,

BROUGHAM.

This counsel is to the point in every respect.

Its instuess cannot be controverted. It carries with it besides the authority of one of the ripest political philosophers and one of the most ardent lovers of civil liberty that the age has produced. It is counsel which every Republican leader should blush to guinsny much more reject. It is counsel which we confidently believe the Republican masses will joyfully adopt the moment they have u fair opportunity. In the name of all that is right and proper and decent, let a fair opportunity be given to them.

As only with the same and erect for itself, at eome point within the green Himits of the Southern S

Associate Judge of the Court of Appeals.

Associate Judge of the Court of Appeals.

About fifteen gentlemen have signified their willingness to be elected to fill the vacancy occasioned by the death of Judge Wood. Of all the men named in connection with this office, we profer Joshua F. Bullitt, of Louisville. Our preference of the poor fund of the Hebrew Benovolent Society. The pieces presented were the Correspondent of the pieces presented the services of an able, attentive, faithful, honest, and patriotic public of the pieces of the human division to water in the case of many diseases of the human system. State could congratulate themselves in advance upon having secured the services of an able, attentive, faithful, honest, and patriotic public of the fifther, and patriotic public of the fifther, and patriotic public of the secured the services of an able, attentive, faithful, honest, and patriotic public of the fifther, and patriotic public of the fifther, and patriotic public of the pieces.

The pieces presented the services of an able, attentive, faithful, honest, and patriotic public of the fifther, and patriotic public of the pieces of the human division to the pieces of the Society. The pieces presented were the Corsican Brothers end the Good for Notbing, both plays which tax the powers of profeseional actors even. For the most part the eicnal actors even. For the most part the characters were ndmirably represented, and we can well inegiue the young amateurs were subjected to rigid study and careful rehearsal. The entertninment closed with a grand hall.

When the highest respect, but when we say that Joshua F. Bullitt is the man for that place, we speak of what we know. We hope he will be elected, and have no doubt that he will.

Frankfort Commonwealth.

Mr. Bullitt, as a man and a jurist, deserves all the praise that his friends can bestow on him.

Washington's birth day was celebrated in a most appropriate manner by the citizens of this place and the surrounding country, including a respectable number from Clarke county, Indiana, who as well ns our people, showed their undiminished as well ns our people, showed their undiminished appreciation of the inestimable beneats of our Union, hy uniting with a portion of the citizens of this State, in celebrating the birth-day of him who was its chief founder and champion, and who was "first in peace, and first in who was "first in peace, and first in who was tirst in peace, and first in who was tirst in peace, and first in prices much lower than usual rates. LOUISVILLEJOURNAL THE "Pronce or Hams -It a story, related hy a Lorhester (New York) poper about "Bob" Lincoln be true, "B'b" i a t be a sem what rapid young man. "Bles' first right in New York, it is said, was spe t "about lown," locking in at the | elephant, with some congenial spirits, at Barnum's | Musenin; efter which attention was paid to other peculiar sights and scenes The story referred to we find in the Rocheter Democrat, and is as Ribert Lincoln, son of the President elect, who is known now as "Prince Bob," is destined to make his peculiar mark and be remembered by the people wherever Lagues Cff the many good things hold at this bey in Herbale, on Saturday, we hear the following A few days are a him Mark. Buil.lo, without a pass over the State Line rall-read. For that in kin thu chain of railway be-tween New York and Springfield no providing had been made. After Mrs. Li colo had taken her seat in the cars, at Butlalo, for the West, her son Bob entered the office of R N. Brown, Ly he gentlemanly Superintendent of the State Li ilroad, and inqui ed if Mr. Hown was in? Mr. It own responded and inquired what was wauted? His interrogator add a sed him in substantially the following longuage:

"My name is Lob Lincoln; I'm son of Old
Abe—the chi w man is lu the care raising h—l about her passes-I wish you would go and attend to her."
Mr. Brown very promptly filled out the requisite papers to enable Mis. Lincoln and family to ride over his road without payment of fate, and delivered them to her. It is probable that "the old we man" gave 150 no further truble about some, school. Some, school. GTA correspondent on board the steamer Swl1reland, in the Mississippl river, writes as follows Io the Circinnati Commercial: An affective recident occurred on board. (Inc. of our passengers, a returned Californian, who had been absent for a number of years, very unrespectedly mer an "old dome," a very charming this, who lock privage at Louisville. The meeting was unlocked for, and was as pleasing as strange. The "didye love" had heard of the death of the fromer love, and yet, true to the In tiet of women, was faithful, as she thought, to his memory. A short time sufficed to determine on leving couple as to their luture cour e, and ce le had teen a weddiner.

l ylv, when the Switzell and arrived at Columbus, Kv, the services of a "Squire" were called into requition, and the twain were made one, your substriver having the pleasure of giving the bride nway, receiving the usual fee. The Squire, a july old fellow," accompanied the party to this date, vowing he h d never seen so happy a party HEAVER RENDING ACCIDENT.—A young lady round Ordway had been prosent at an afternoon meeting of the sewing society in Proctorvide, Vt. She declined staying for the evening, though pressed to do so, as she feared her aged pricents would to vory lonesome, they having just buried a sen on whem they had placed great dependence. Seated has beigh roady for starting, a freight train was heard approaching. After the train had pused, the driver started, and was just on the hack a from the Irain and were following il rap-lily in the down grade, struck the sleigh. The violence of the shock threw the young lady some twenty live feet over a fence, breaking off the pickets which caught in her clothes. Her neck were severed; but, strange to sav, the skin was and for a long time insensible. A messenger was sent to Miss Ordway's parents, who informed Them that their daughter was sully injured, and they knew nothing more until they saw her life-less body. The scene that followed was past deecription. The poor old min, in his agony, rolled upon the carpet, aid refused to he comforted. he poor old mother was in equally deep distress. heir earthly hopes, all centered in their beautiful daughter, wore thus suddenly blasted. Reduced Rate of Letter Postage to Sardinia via Klagdem of Sardinis, via Bremen or Hamburg mails, has been reduced from thirty to twenty-three cen's, prepayment being optional, as hereto-fore. This reduced rate of twenty three cents is set age to Sardinia, via Bremen or Hamburg mails, Fisher Mrs Macgaret, 24 by 100, w 6, MacWat. 6 owever, does not include any Surdinian postage, int is the United States, Gorman, and Swiss Flood Bujamin A, imp w 3, cs&Ma.....

name?" "Virginle Loustatol." "Your age?"
"Twonty-five" (Exclusition of incredulity from the audience) The Edy's evidence being taken, she regalized hor place, still coquettishly bridling, and the next witness was introduced. This was a full-grawn young man. "Your name?" said the judge. "Isade re Loustalot."
"Your age?" "Twenty-seven years" "Are you a relative of the last witness?" "I am her son."
"Thunder!" exclamed the magistrata, "your mother must have married very young."
